

DIRECTORY OF MESSIANIC CONGREGATIONS

For those of you who are Jewish and have found this work interesting, even to the point of entertaining the possibility that Jesus is the Messiah based on the Jewish biblical prophecies, do not think you are the first. You are not. If you would like to meet other Jews who believe that Jesus is the Messiah and see how they learn and worship in a Jewish framework, we invite you to inquire at your neighborhood Messianic fellowship or synagogue.

Here is an extensive list of congregations and synagogues throughout the world. See you soon. Shalom!
